Letter of Reference – Gay Company Limited

To whom it may concern:

Lafarge Paving & Construction Limited have worked with Gay Company Limited for the past 40 years, they are a well established company in the Region of Durham. They have completed projects in the residential development, municipal sector, design-build projects and ICI projects ranging from \$1,000 to \$10million.

They employ competent field and administration staff that are respected in the construction industry, many of them are long serving employees. Lawson Gay remains active in numerous construction associations throughout Durham and GTA.

They stress safety throughout the Company and insure their employees are trained with current certificates.

Therefore, Gay Company Limited is competent contractor which is able to complete projects on schedule and budget.

Regards,

Yves Mageau
Construction Manager
