To whom it may concern:

Over the past 31 years we have worked with Gay Company Limited on several different projects and we welcome the opportunity to continue our working relationship with them in the future.

We find Gay Company limited to be a well-structured, well managed company with their "finger on the pulse" of the project.

Based on the positive experience we have enjoyed to date, we are happy to provide this letter of reference without hesitation.

Sincerely,

**Kevin Wilbur
