Part 1 – Invitation and Submission Instructions

# Part 1 Invitation and Submission Instructions

## 1.1 Invitation to Bidders

This request for tender (the "RFT") is an invitation by Regional Municipality of Durham ("the Region") to prospective bidders to submit bids for T-1032-2021, Relocation of Oral Health Clinic, as further described in Section D-1 of the RFT Particulars (Appendix D) (the "Deliverables").

## 1.2 RFT Contact

For the purposes of this procurement process, the "RFT Contact" will be:

Sharon Strain, Procurement Officer

# All questions are to be submitted through the Submit a Question button within the Bidding System, not through email to the RFT Contact.

Bidders and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials or other representatives of the Region, other than the RFT Contact, concerning matters regarding this RFT. Failure to adhere to this rule may result in the disqualification of the bidder and the rejection of the bidder's bid.

# **1.3 Type of Contract for Deliverables**

The selected bidder will be required to enter into an agreement with the Region for the provision of the Deliverables in the form attached as Appendix A to the RFT (the "Agreement").

# 1.4 RFT Timetable

Issue date of RFT	April 14, 2021
Site visit /pre-bid meeting	April 26, 2021 at 10:00 am

Part 1 – Invitation and Submission Instructions

Deadline for questions	May 4, 2021
Deadline for issuing addenda	May 6, 2021
Submission Deadline	May 11, 2021

The RFT timetable is tentative only, and may be changed by the Region at any time.

## 1.5 Pre-bid Meeting

#### **Optional Virtual Pre-submission Meeting**

The Region will not be holding an in-person pre-submission site visit for this RFPQ due to the current restrictions related to COVID-19. A virtual pre-submission meeting will be held to review of the scope of work. This will be non-mandatory, but it is strongly recommended that all contractors attend. A registration of participants will be recorded and may be provided in an addendum.

The format for the virtual meeting will include a general review of the scope of work, review of the purchasing requirements, and an opportunity to ask questions of the Region of Durham's project delivery team and consultants.

# The virtual review will be held at the date and time indicated in 1.4 RFPQ Timetable. Select the link <u>"Live Virtual Meeting"</u> to access the Live Virtual Meeting.

Contractors and Sub-contractors may also request individual access to the virtual review materials via "bidsandtenders" (submit a question) prior to the deadline for questions noted in 1.4 RFPQ Timetable. The link and password will be provided.

In addition, Contractors and sub-contractors may request an appointment to physically view the site through an email via "bidsandtenders" prior to the deadline for questions noted in 1.4 RFPQ Timetable. Contractors and Sub-contractors who visit the site must complete the Durham Region Visitor Protocol COVID-19 Screening checklist, prior to attendance.

During the individual site visit, Contractors and Sub-contractors must comply with all directives, guidelines, and best practices issued by the Ministry of Labour or Public Health with respect to coronavirus, including sanitation and social distancing requirements.

# **1.6 Submission of Bids**

#### 1.6.1 Bids to be Submitted at Prescribed Location

Bids must be submitted at durham.bidsandtenders.ca

#### 1.6.2 Bids to be Submitted On Time

Bids must be submitted on or before the Submission Deadline. Bids submitted after the Submission Deadline will not be accepted. Bidders are advised to make submissions well before the deadline. Bidders making submissions near the deadline do so at their own risk.

## 1.6.3 Bids to be Submitted Electronically

All bidders shall have a Bidding System vendor account and be registered as a plan taker for this opportunity, which will enable the bidder to download the solicitation document, to receive addenda email notifications, download addenda and submit their bids electronically through the Bidding System.

Bidders are cautioned that the timing of their bid submission is based on when the bid is received by the Bidding System, **not** when a bid is submitted by a bidder, as transmission can be delayed due to file transfer size, transmission speed or other technical factors.

For the above reasons, the Region recommends that bidders allow sufficient time to upload their submissions and attachment(s) (if applicable) and to resolve any issues that may arise. The closing date and time shall be determined by the Region's Bidding System web clock. Part 1 – Invitation and Submission Instructions

Bidders should contact the RFT Contact at least twenty-four (24) hours prior to deadline if they encounter any problems. The Bidding System will send a confirmation email to the bidder advising when the bid was submitted successfully. If bidders do not receive a confirmation email, they should contact the RFT Contact immediately.

To ensure receipt of the latest information and updates via email regarding this opportunity, or if a bidder has obtained this solicitation document from a third party, the onus is on the bidder to create a <u>Bidding System Vendor Account</u> and register as a plan taker for the opportunity at durham.bidsandtenders.ca.

#### 1.6.4 Amendment of Bids

Bidders may amend their bids prior to the Submission Deadline. However, the bidder is solely responsible for ensuring that the amended bid is received by the Bidding System by the Submission Deadline.

#### 1.6.5 Withdrawal of Bids

Bidders may withdraw their bids prior to the Submission Deadline. However, the bidder is solely responsible for ensuring that the withdrawn bid is withdrawn through the Bidding System by the Submission Deadline.

#### 1.6.6 Bids Irrevocable after Submission Deadline

Bids shall be irrevocable for a period of 90 days running from the moment that the Submission Deadline passes.

#### 1.6.7 Bid Bond

Bidders shall submit bid security in the form of a **CCDC 220 2002** digital bid bond. **A scanned copy of a paper bond will not be accepted**. Bidders should refer to the e-bonding information on <u>Surety Association of Canada's website</u> for a list of third parties that provide digital bond services. Bidders and their sureties should review the industry checklist for digital bond requirements.

#### Part 1 – Invitation and Submission Instructions

The **CCDC 220 2002** digital bid bond shall be in the amount of \$106,000 and in the favour of the Regional Municipality of Durham.

The digital bid bond must remain valid for the period of irrevocability detailed in Part 1, Article 1.6.6.

Bidders shall create a single zip file (see Bidding System instructions on how to create a zip file) and upload the zipped file to the file labelled "Digital Bid Bond" into the Bonding upload section.

All instruction details for accessing authentication must be included with the uploaded bond.

## **1.7 Equivalent Products**

During the bidding period, the Region, including any Consultant it may retain, will review applications for consideration of equivalents or equals where a make/model is named within the tender document and "or Approved Equivalent" is specified. Bidders proposing equivalent products must submit a complete application of the proposed equivalent product for consideration to the attention of the Procurement Officer, no later than ten (10) business days prior to the bid's original closing date. No requests will be considered for review after this deadline.

The Bidder must provide with their application:

- 1. Product information including complete technical details/drawings/pictures;
- 2. Year the product was made available to the market place;
- 3. Three (3) performance references from current users of the product;
- 4. Product warranty details;
- 5. Lead time/availability details;
- 6. Sample when requested (within two (2) business days of request); and
- 7. Manufacturing location, Sales/Support and Service locations.

Failure to comply with any of the above requirements may result in rejection and nonconsideration of the proposed equivalent. The Region will not be required to carry out any additional research or request any additional documentation from the bidder, and will only utilize the documentation submitted by the Bidder in performing the analysis.

Should the Region require a product demonstration, product trial or additional supporting documentation (including warranty information) in order to determine the acceptability of the proposed equivalent, the requesting bidder(s) shall furnish the same within two (2) business days of the Region's request, otherwise, the proposed equivalent product will no longer be considered.

Approval or rejection of a bidder's proposed equivalent will be at the sole discretion of the Region, whose approval will not be unreasonably withheld. Any products accepted by the Region as an "Approved Equivalent" will be defined in an addendum provided to all Registered Plan Takers prior to tender closing. Acceptance by the Region of a proposed substitute Product or group of Products shall apply to this contract only.
