These amounts shall be communicated with the *Contractor* and *Owner* by the last day of the current payment period. Based on the *Consultant's* observations, the *Consultant* will recommend to the *Owner* the amounts owing to the *Contractor* under the *Contract*. .4 Delete paragraph 2.2.17 and replace with the following:

2.2.17 All certificates will be issued by the *Owner* upon the recommendation of the *Consultant*.

6. GC 2.3 Review and Inspection of the Work

.2 facilitate the inspection of any portion of the *Work*

and the *Contractor* shall not be entitled to any compensation for suspension of the *Work* in these circumstances, unless the suspension was unreasonably repetitive or egregiously long, in which case the *Contractor* can make a claim subject to the Dispute Resolution procedure under this Agreement.

7. GC 2.4 Defective Work

.1 Add new paragraph 2.4.4 as follows:

2.4.4 The *Consultant* and the *Owner* shall both have the authority to temporarily suspend the *Work* for such reasonable time as may be necessary; and order the *Contractor* to immediately correct defective work that has been rejected by either the *Consultant* or the *Owner* as not having been performed in accordance with the *Contract Documents*. The *Contractor* shall not be entitled to any compensation for such suspension of the *Work*, subject to the Dispute Resolution procedure under this Agreement.

8. GC 3.5 Construction Schedule

.1 In paragraph 3.5.1, delete subparagraph .1 and replace with the following:

.1 prepare and submit to the *Owner* and the *Consultant* no later than two weeks after the receipt by the *Contractor* of:

.2 Add new paragraphs as follows:

3.5.2 If the *Contractor* fails to complete a major activity, critical event or milestone by the date indicated in the construction schedule and such failure is anticipated to extend the *Contract Time* or milestones, the *Contractor* shall, within seven calendar days of such failure, submit an updated construction schedule with a narrative clearly indicating how the *Contractor* intends to correct the non-performance and return to the accepted construction schedule. Actions by the *Contractor* to complete the *Work* within the *Contract Time* and to complete major activities, critical events or milestones in accordance with the accepted construction schedule shall not be justification for an adjustment to the *Contract Time* or *Contract Price* unless such failure is due to a delay in accordance with the provisions of GC 6.5 - Delays.

3.5.3 The *Owner* may, at no additional cost to the *Owner*, order the *Contractor* to increase *Construction Equipment*, labour force or working hours if the *Contractor* fails to:

.1 complete a milestone activity by its scheduled completion date, or

.2 satisfactorily perform the *Work* as necessary to prevent delay to the overall completion of the *Work*,

but only to the extent required to return to the accepted construction schedule.

3.5.4 The *Contractor* shall provide an updated construction schedule prior to the *Owner* granting an extension to the *Contract Time*.

3.5.5 In the event of a conflict between the *Contractor's* performance of the *Work* and the *Owner's* requirements to operate an operational facility, the operation of the facility shall always take precedence.

9. GC 3.6 Supervision

.1 Add new paragraph as follows:

3.6.3 The appointed representative shall, at all times, be satisfactory to the *Owner* and applications to replace the appointed representative must be approved by the *Consultant* and the *Owner*.

10. GC 3.7 Subcontractors and Suppliers

.1 Add the following to paragraph 3.7.5:

“...unless specifically required to do so in the *Contract Documents*.”

11. GC 3.8 Labour and Products

.1 Delete paragraph 3.8.3 and replace with the following:

3.8.3 The *Contractor* shall maintain good order and discipline among the *Contractor's* employees and all workers engaged on the *Work*. For the purposes of this *Contract*, "workers" shall also include all persons under the employ of the *Contractor's Subcontractors, Suppliers* and any firms engaged by them on the

Work. The *Contractor* shall not employ on the *Work* anyone not skilled in the tasks assigned.

.2 Add new paragraphs as follows:

- 3.8.4 Where any worker, as defined in paragraph 3.8.3, is found by the *Consultant* or the *Owner*, in their opinion, to be: intemperate; disorderly; wilfully negligent; dishonest; repeatedly in contravention of the *Contract Documents*; in any way repugnant to a member of the public, the *Owner* or the *Consultant*; or incompetent in the performance of their duties under the *Contract*, then the *Consultant* shall provide *Notice in Writing* to the *Contractor* and the *Contractor* shall immediately remove the worker from the *Place of the Work*. Such worker shall not return to the *Place of the Work* without the prior written authorization from the *Consultant*.
- 3.8.5 Where any worker has been removed from the *Work* under this provision from a previous contract, the *Owner* reserves the right to refuse such worker from any involvement in the *Contract*.
- 3.8.6 The *Contractor* shall, at all times, provide a Superintendent at the *Place of the Work* who shall be authorized to act on behalf of the *Contractor* and who shall have full control of the work of the *Contractor's* forces and of all *Subcontractors* and *Suppliers* at the *Place of the Work*. The Superintendent shall be competent and have both experience and qualifications satisfactory to the *Consultant* and the *Owner*. If, at any time, the *Consultant* or the *Owner* shall give the *Contractor Notice in Writing* that they are not satisfied that the *Contractor's* Superintendent is competent or does not have satisfactory experience or qualifications to

perform their duties, then the *Contractor* shall remove and replace the Superintendent with a competent, experienced and suitably qualified person to the satisfaction of the *Consultant* and the *Owner*. The *Contractor* shall not be entitled to any compensation whatsoever where the *Consultant* or the *Owner* exercise their rights under this clause.

- 3.8.7 The *Contractor* shall ensure that all materials are delivered to the *Place of the Work* in original containers and packages with labels and seals intact and that they are protected from the elements. All *Products* must be protected from inclement weather and stored at temperatures in accordance with the manufacturer's requirements.
- 3.8.8 Manufactured *Products* which are specified by their proprietary names or by part or catalogue numbers must be provided. No substitute for the *Products* specified will be allowed unless written approval of substitute *Products* are authorized by the *Owner*.
- 3.8.9 The *Contractor* shall use and install all proprietary *Products* in strict accordance with the manufacturer's printed instructions. The *Contractor* shall provide to the *Consultant* a copy of all manufacturers' printed instructions and supplementary directions prior to use or installation.
- 3.8.10 Whenever more than one *Product* is specified for one use, the *Contractor* may select for this use any of the *Products* so specified. The *Contractor* shall assume all responsibility for liabilities and additional costs that may arise as a result of their choice to use one of the named *Products*.

- 3.8.11 The *Contractor* may apply to the *Consultant* or the *Owner* to provide a proposed substitute *Product*, or group of *Products*. Such application shall be in writing and shall indicate reasons why the *Contractor* has proposed the substitution (e.g. significant delay in delivery, strikes, unavailability, improved quality or field service, amount of contract cost reduction, etc.). The *Contractor's* application for a substitution shall be accompanied by sufficient descriptive and technical information, specifications, references and samples for the *Consultant* to thoroughly compare the proposed substitute *Product* or group of *Products* with that specified.
- 3.8.12 The *Consultant's* or *Owner's* assessment of proposed substitutions shall include, but not be limited to, criteria such as quality and durability, performance, ease of operation, safety features, technical support, service and parts, availability and estimated cost of warranty and adherence to minimum specifications. Failure to comply with this requirement to the *Consultant's* or *Owner's* satisfaction may result in rejection of the proposed substitution due to insufficient information or time to evaluate the proposal. **All applications and submissions related to the proposed substitution shall only be made by the *Contractor* and not by any *Subcontractors* or *Suppliers*.**
- 3.8.13 The approval or rejection of a proposed substitution shall be at the discretion of the *Consultant* whose decision shall be final. **Regardless of the *Consultant's* decision on a proposed substitution, the *Owner* reserves the right to assess to the *Contractor* all costs of the *Consultant* and the *Owner* related to their review of the proposed substitution.**

- 3.8.14 The *Contractor's* Lump Sum Tendered Price (Total in Summary Table) shall be based on the *Products* specified. No tender shall be based on a presumed acceptance by the *Consultant* of a substitute *Product*.
- 3.8.15 Acceptance by the *Consultant* of a proposed substitute *Product* or group of *Products* shall apply to this *Contract* only.
- 3.8.16 The *Contractor* shall assume all responsibility for liabilities and additional costs that may subsequently arise as a result of their proposed substitution being accepted by the *Consultant*.
- 3.8.17 Any design or construction changes necessitated by the use of substituted *Products* shall be at the expense of the *Contractor*. The *Contractor* shall be responsible for assuring the proper fit and matching of all substituted *Products* to the surrounding pipe, equipment or materials.

12. GC 3.11 Use of the Work

.1 Add new paragraphs as follows:

- 3.11.3 If working or storage areas in addition to areas provided at the *Place of the Work* are required, the *Contractor* shall be responsible for making arrangements to obtain such additional areas, whether adjacent to the *Place of the Work* or not, and for obtaining all permits and making rental payments that may be required for such additional areas.
- 3.11.4 Upon completion of the *Contract*, the *Contractor* shall provide to the *Consultant* two copies of a Form of Property Owner's Release, using the format provided in Appendix SC-G to the

Supplementary Conditions, signed by each property owner upon whose land the *Contractor* has entered for any purpose in conjunction with the *Contract*. The *Owner's* standard form shall be used for this purpose.

- 3.11.5 The *Owner* shall have the right to enter and occupy the building in whole, or in part, for the purpose of operating the facility before completion of the *Contract*. Such entry and occupation shall not be considered as acceptance of the *Work* or in any way relieve the *Contractor* from responsibility to complete the *Contract*.

13. GC 3.13 Cleanup

.1 Add new paragraphs as follows:

- 3.13.4 The *Owner* shall have the right to back charge cleaning costs to the *Contractor* if not done by the *Contractor* within 24 hours of notice to clean.
- 3.13.5 The *Owner* shall have the right to back charge to the *Contractor* the cost of repairs of damage to the site caused by *Contractor* transportation in and out of the site if not repaired **before final payment**.

14. New GC 3.14 Liquidated Damages

Add the following new Article GC 3.14:

GC 3.14 Liquidated Damages

- 3.14.1 It is agreed by the Parties to the *Contract* that in case the *Work* is not substantially performed within the *Contract Time*, as

specified in Article A-1 – The Work as amended in the Supplementary Conditions, damages will be sustained by the *Owner* and the parties hereto agree that the *Contractor* will pay to the *Owner* the sum of Five Hundred Dollars (\$500.00) for each and every calendar day beyond the *Contract Time* specified, as may be amended by the *Consultant*, that the *Work* remains not substantially performed. The parties acknowledge that this is a genuine pre-estimate of damages due to delay, and not a penalty, and that the liquidated damages are the *Owner's* sole monetary remedy for delay damages.

3.14.2 The *Owner* may deduct any amount due under this Article from any monies that may be due or payable to the *Contractor* on this or any other contract with the *Owner*. The liquidated damages payable under this Article are in addition to and without prejudice to any other remedy, action or other alternative that may be available to the *Owner*.

3.14.3 The *Contractor* shall not be assessed with Liquidated Damages for any delay caused by Acts of God or of the Public Enemy, Acts of the Province, or of a Foreign State, Fire, Flood, Earthquake, Epidemic, Quarantine Restriction, Embargo or delays of *Subcontractors* due to such causes.

15. GC 4.1 Cash Allowances

- .1 In the first sentence of paragraph 4.1.4., delete “plus an amount for overhead and profit on the excess as set out in the *Contract Documents*.”

.2 Add new paragraph as follows:

4.1.8 The *Consultant* may direct the *Contractor* to obtain competitive bids from three or more bidders at no additional cost to the *Owner*, for work for which payment is made from cash allowances. Where this requirement is specified in the *Contract Documents*, award of such competitive bid shall be made in consultation with the *Owner* and in accordance with the *Owner's* Purchasing practices.

16. GC 5.1 Financing Information Required of the Owner

.1 Delete paragraphs 5.1.1 and 5.1.2 in their entirety.

17. GC 5.2 Applications for Progress Payment

.1 Paragraph 5.2.1 is amended by the addition of the following:

Applications for payment shall be preceded by a payment review meeting to be held no less than five calendar days before the end of the monthly payment period. The *Contractor* shall submit a draft application for payment to the *Consultant* and the *Owner* no less than one business day prior to the payment review meeting.

.2 Delete paragraph 5.2.3 and replace with the following:

5.2.3 The amount claimed shall be for the value, proportionate to the amount of the *Contract*, of *Work* performed as of the last day of the payment period. The amount shall not include any *Products* delivered to the *Place of the Work* but not yet incorporated into the *Work* except as provided in paragraph 5.2.7.

.3 Delete paragraph 5.2.4 and replace with the following:

5.2.4 The *Contractor* shall submit to the *Owner* a completed Schedule of Sections and Prices and a completed Schedule of Unit Prices as the schedule of values for the *Work*.

.4 Delete paragraph 5.2.5 and replace with the following:

5.2.5 The schedule of values shall be in the form provided in the Tender and supported by such evidence as the *Consultant* may reasonably direct and when accepted by the *Owner*, shall be used as the basis for applications for payment, unless it is found to be in error.

.5 Delete paragraph 5.2.7 and replace with the following:

5.2.7 The *Owner* shall not be obligated to pay for any *Products* delivered to the *Place of the Work* but not yet incorporated into the *Work* except those *Products* specified in the *Contract Documents*. For those *Products* specified in the *Contract Documents*, the *Contractor* shall deliver such *Products* to the *Place of the Work* and the *Contractor* shall, in advance of receipt of the shipment of the *Products*, arrange for adequate and proper, secure storage facilities. Such *Products* shall remain at the risk of the *Contractor* who shall be responsible for any loss, damage, theft, improper use, or destruction of the *Products* however caused. Upon delivery and adequate, secure storage of the specified *Products*, the *Contractor* may make application for payment of such *Products*. Application for payment of such *Products* shall be supported by such evidence as the *Consultant* may reasonably require to establish the value and delivery of the *Products*. The *Contractor* shall be paid 80% of the value of the

Supplier's invoice, not including *Value Added Taxes*, on the first progress payment after delivery and secure storage of the specified *Products* at the *Place of the Work*. Where the *Owner* makes advance payments for *Products*, such payment shall not constitute acceptance of the *Products* by the *Owner*. No further payments for the subject *Products* shall be made until the *Products* have incorporated into the *Work* and inspected and/or tested by the *Consultant*.

.6 Add new paragraphs as follows:

5.2.8 The *Contractor* shall include with the second and all subsequent applications for payment, a sworn statement that all accounts for labour, subcontracts, *Products*, construction machinery and equipment, and other indebtedness which may have been incurred by the *Contractor* for work performed and *Products* supplied under the *Contract* and for which the *Owner* might in any way be held responsible, have been paid in full, except for amounts properly retained as a holdback or as an identified amount in dispute.

5.2.9 The *Owner* shall be under absolutely no obligation to make any payment to the *Contractor* in the face of either a registered lien or a notice of lien until such lien is discharged or vacated or the notice of lien is withdrawn or vacated, along with any applicable certificate of action.

18. GC 5.3 Progress Payment

- .1 Delete subparagraphs .2 and .3 of paragraph 5.3.1 and replace with the following:
 - .2 the *Consultant* will issue to the *Owner* and copy to the *Contractor*, no later than seven calendar days after the receipt of the *Contractor's* application for payment, a recommendation for payment in the amount applied for, or in such other amount as the *Consultant* determines to be properly due. If the *Consultant* recommends an amount other than that of *Contractor's* application for payment, the *Consultant* will promptly advise the *Contractor* and the *Owner* in writing, giving reasons for the recommendation.
 - .3 the *Owner* shall review the *Consultant's* recommendation for payment, prepare a payment certificate and make payment of the amount recommended by the *Consultant*, or such other amount as the *Owner* determines to be properly due, to the *Contractor* on account as provided in Article A-5 of the Agreement - Payment in accordance with the provisions of the Construction Act after receipt by the *Owner* of the application for payment.

19. GC 5.4 Substantial Performance of the Work

- .1 In paragraph 5.4.2, delete subparagraph .2 and replace with the following:
 - .2 recommend to the *Owner*, with a copy to the *Contractor*, certification of *Substantial Performance of the Work* or a designated portion of the *Work* and the date upon which the *Work* or a designated portion of the *Work* was substantially performed.

- .2 Renumber paragraph 5.4.3 as 5.4.4 and insert new paragraph 5.4.3 as follows:

5.4.3 Upon receipt of the *Consultant's* recommendation for certifying *Substantial Performance of the Work*, the *Owner* shall:

- .1 advise the *Contractor* in writing that the *Work* or the designated portion of the *Work* is not substantially performed giving reasons for such decision, or
- .2 state the date of *Substantial Performance of the Work* or a designated portion of the *Work* in a certificate and issue a copy of that certificate to the *Contractor* and the *Consultant*.

The *Owner* will consider costs of supplying specified spare parts, maintenance manuals, “as-built” drawings, warranty certificates and test results in determining whether or not the *Work* is substantially performed.

20. GC 5.5 Payment of Holdback upon Substantial Performance of the Work

- .1 Add new subparagraphs .3 and .4 of paragraph 5.5.1 as follows:
- .3 submit a release letter, releasing the *Owner* from all further claims relating to the *Contract* for all work performed up to and including the date of *Substantial Performance of the Work*. Such final claim shall itemize all outstanding and unsettled claims by the *Contractor* which are not released. The release letter shall use the format provided in Appendix SC-D to the Supplementary Conditions.

- .4 submit a satisfactory Certificate of Clearance from the Workplace Safety and Insurance Board (WSIB).
- .2 Delete paragraph 5.5.2 and replace with the following:
 - 5.5.2 After the receipt of an application for payment from the *Contractor*, and the submissions as required in paragraph 5.5.1, the *Owner* will issue a certificate for payment of the holdback amount.
- .3 Delete paragraph 5.5.3 in its entirety.

21. GC 5.6 Progressive Release of Holdback

- .1 In the first sentence of paragraph 5.6.1, delete “the *Owner* shall pay the *Contractor* the holdback amount retained” and replace with “the *Owner* may, at its sole discretion, pay the *Contractor* the holdback amount retained”. The *Owner* shall not be obligated to release any holdback for the work of a *Subcontractor* or *Supplier* prior to *Substantial Performance of the Work* as a whole unless specified in the *Contract Documents*.
- .2 Add the following to paragraph 5.6.1:

When the *Owner* agrees to release the holdback amount retained for subcontract work, or for *Products* supplied, the *Contractor* shall, within 30 calendar days of receipt of such payment, submit to the *Owner* written confirmation of payment of such holdback to the applicable Subcontractor or *Supplier*. If the *Contractor* fails to submit such written confirmation, the *Owner* shall retain the right to withhold from any amount due or which may become due to the *Contractor* the amount of the released holdback until such written confirmation is received or until payment becomes due for the holdback on the *Work* as a whole, whichever is earlier.

22. GC 5.7 Final Payment

- .1 Delete all paragraphs and replace with the following new paragraphs:
- 5.7.1 A final certificate for payment will be issued by the *Owner* at the end of the *Warranty Period*, as may be extended in accordance with the *Contract Documents*, and such final certificate for payment shall include payment of the *Warranty Security Holdback* amount withheld in accordance with the *Contract Documents*, less any deductions made in accordance with the *Contract Documents*.
